Photography/Film Policy 2017

The Department of Marketing and Public Relations at Roger Williams Park Zoo must pre-approve all professional photography or video.

This includes requests from:

- broadcast and print media
- bloggers, and other social media writers
- those making documentaries for professional or educational reasons
- students doing research projects

Any individual or group that is using video and/or audio recording for anything other than personal family reasons must get permission for the Department of Marketing and Public Relations.

Fun photos with family and friends are encouraged – please be respectful of others when taking selfies, posting online or lining the family up for a great shot.
