

For your Safety and the Protection of our Carousel,
Please Observe the Following Rules:

-  Each rider 4 years old and younger must be accompanied by an adult (one adult per child). The adult may ride for free and must remain beside the child.
-  All riders must sit astride, facing forward, with both feet in the stirrups and seat belts secured.
-  Please remain seated until the ride is completely over, and do not move about until the carousel has completely stopped. Please exit promptly once the ride has ended.
-  Please do not hang bags or other objects anywhere on the horses.
-  **Riders should be in good health.**
If you suspect you may be pregnant, have high blood pressure, a heart condition, neck or back problems, recent surgery, or any other impairment or medical condition that may be affected by the features of the ride, or that prevent safe seating as described above, you should refrain from riding the carousel.
-  **Carousel animals can each carry up to 250 pounds.**
Riders exceeding this limit should use the chariots (benches).
-  **No food, drinks, gum, roller skates, or animals may be brought on the carousel.**
-  **Photographs may be taken for personal use only.**
Permission for other purposes must be obtained from the Rhode Island Zoological Society at info@rwpzoo.org.

Smoking is forbidden anywhere in Roger Williams Park, e-cigarettes included.

Failure to comply with these rules will lead to the ride being stopped and the offending person being removed from the carousel.

Roger Williams Park Carousel is managed by the RI Zoological Society/Roger Williams Park Zoo
